Love Your Coast PHOTO COMP

Calling all photographers! We're looking for your photos from the Love your Coast event series. All you need to do is bring your camera to the event and send your best pics in to us at photocomp@loveyourcoast.org

We've got a whole heap of awesome prizes, including sunnies from Arnette, a waterproof Cybershot TX5 camera from Sony and...drum roll please...a grand prize of a Starboard 10' Whopper Stand-up Paddle Board with a Tufskin paddle – worth around \$2000!

Get your photos in to us before the comp closes at 5pm, Friday 17 December: we'll be announcing winners just in time for Christmas!
